## **Re: BRS Cleaning Contractors Ltd Reference request**

We at Fredereck Sage and Co Ltd have employed BRS to carry out Builders and Sparkle cleans on some of our most recent projects and have found their workmanship to be extremely thorough and of very high standard.

Workers arrive on time with PPE when required and work is completed to the agreed deadline and budget.

On their most recent project for us BRS came in under difficult circumstances, and worked in conjunction with our site team and other contractors on site to enable us to hand over the project on time and looking perfect.

We would have no reservations about recommending BRS as a Builders cleaning company that provide an excellent quality of service

Yours sincerely
