Dear Sir or Madam,

[Re: BRS Cleaning Contractors Ltd]

BRS have assisted myself and Kier Construction Thames Valley on several occasions, most recently providing a Builders and Sparkle clean on a large Secondary school new build.

I have always found them to be an extremely professional company, providing an excellent service on and off site.

I would have no reservations in recommending BRS as a Builders clean specialist, providing an excellent service on a range of projects.

Yours sincerely,

Alex Scullion
Assistant Quantity Surveyor
