To Whom It May Concern

Dear Sirs

Hinkley Point C – Worker Accommodation

We employed BRS Cleaning Contractors Ltd as a subcontractor throughout 2018 to carry out the builder's clean to 44 accommodation blocks comprising 1,496 ensuite bedrooms to a phased handover programme. Their initial tender was competitive and they provided an excellent service. The subcontract was subject to a considerable amount of change and additional works all of which they were able to accommodate with the minimum of fuss.

Throughout the work we were able to establish a good working relationship and would certainly work with BRS on future projects.

Yours faithfully
For and on behalf of
